This Care Alert Kit belongs to:

Keep originals or copies of these documents in this folder:

- Enduring Power of Attorney form
- Advance Health Directive form
- Statement of Choices form

If you need help completing or accessing these forms, please contact Queensland Health’s Office of Advance Care Planning on 1300 007 227 or visit www.qld.gov.au/careatendoflife

You may also choose to store other important healthcare information such as:

- Your emergency contact details
- Scans, referral letters, appointment booklets or anything else related to your healthcare
- Treatment plans, such as a Palliative Care Plan or Acute Resuscitation Plan
- Information about any alerts and allergies
- A list of your medications
- Names and contact details of other healthcare providers
- Your doctor’s name and contact details

This resource is based on an initiative by Wide Bay Hospital and Health Service.
