

Queensland Clinical Senate

Clinician leadership. Consumer collaboration. Better care.

Partnering for improved procurement

9.30am – 11.30am, Thursday 21 October 2021

Please join by clicking on the **MS Teams** link in the appointment (from 9.00am for 9.30am start):

9.00am	Join (see link in appointment)
9.30am	Meeting facilitator: welcome, acknowledgement, context and housekeeping Dr Alex Markwell, Chair, Queensland Clinical Senate
9.40am	Session 1: How we currently procure clinical consumables in Queensland Health Objective: Provide participants with an understanding of the current processes used to procure clinical consumables.
	How Queensland Health procures clinical consumables (15 mins) Mrs Robyn Clark, Chief Procurement Officer
	Case in point: PPE (understanding the global market) (10 mins) Mr Greg Rhodes, Commercial and Deals Lead, Queensland Government Critical Supply Reserve
	Case in point: Dialysis (tapping into a clinical network) (5 mins) Mr Alastair Graham, Category Director
	Plenary discussion (10 mins) All
10.20am	Group Work (40 mins in virtual break-out rooms – nominated scribe to link into MS Forms, can share screen with group) - All groups work through the same six 'opportunities' to determine ideal level of clinician input for various types of consumables. Goal is to consider: Who do we engage with, at which steps, thinking about future long-term processes, and consider process for ongoing clinician feedback and input during the life of the contract.
11.05pm	Feedback from groupwork (15 mins) • Opportunity to raise any key gaps/problems identified (remainder captured through MS Forms)
11.20	Wrap-up and reflection (10 mins) Dr Alex Markwell, Chair, Queensland Clinical Senate - Opportunity to complete meeting evaluation via MS Forms
11.30am	Meeting Close
