Meeting Date: Friday 5 October 2018

The Advancing Kidney Care 2026 Collaborative (the Collaborative) is a partnership established under the sponsorship of the Queensland Health Service Chief Executives Forum. The Collaborative’s role is to lead implementation of the strategic directions for kidney health and care in Queensland as identified through a statewide review and planning process. The membership of the Collaborative comprises consumers, clinicians, executives of Hospital and Health Services and the Department of Health and a representative of Queensland’s Primary Health Networks.

1. The Advancing Kidney Health 2026 Collaborative held its second meeting on 5 October 2018.
2. Discussions at this meeting included:
   • the Collaborative’s approach to keeping stakeholders informed and engaged including participation in working groups, communiques to be issued after each meeting and a website;
   • the benefits and requirements associated with being identified in the portfolio of priority projects for the Minister for Health and Minister for Ambulance Services;
   • initiation of projects that will:
     a. document patient pathways and care profiles based on the latest evidence of best practice and high-quality care
     b. identify quality standards and indicators aligned to patient pathways and patient outcomes
     c. communication/website project that will: Improve access to information on kidney health and information of interest to consumers and clinicians, including progress of the Collaborative
     d. development of a fit-for-purpose funding solution to support an equitable approach to resourcing of services and promotes high value care and quality outcomes.
3. the need for all initiatives to be mindful of the varying contexts of services across Queensland resulting in variations in the profile of patients and different service delivery costs and challenges.

The next meeting of the Collaborative is on Friday 2 November 2018. Any queries about the Collaborative and its work priorities can be emailed to AKC2026Collaborative@health.qld.gov.au.
