

Inform My Care

Peer Groups – v17 (July 2020)

General

A list of acute facility peer groupings has been developed in consultation with the Inform My Care Advisory Committee members. The peer groups allow for meaningful and fair comparison between similar facilities. An Inform My Care website user will be able to select a measure and view results for a facility and compare it to that facilities peer group result in addition to the Queensland result.

Peer Group Definition

Hospital bed numbers were assessed as at October 2019 for public hospitals and November 2019 for private hospitals.

a. Psychiatric hospitals:

Hospitals that provide psychiatric care, including treatment of addictions, for at least 50% of the episodes of hospital treatment, and do not fall into category (f).

b. Small Hospitals:

Hospitals that do not fall into categories (a) or (f), with up to and including 50 licensed beds.

c. Medium Hospitals:

Hospitals that do not fall into categories (a) or (f), with more than 50 licensed beds and up to and including 200 licensed beds.

d. Large Hospitals:

Hospitals that do not fall into categories (a) or (f), and are not a specialist children's hospital, with more than 200 licensed beds and up to and including 450 licenced beds, with either (or any combination of) an accident and emergency unit or a specialised cardiac care unit or an intensive care unit.

e. Very Large Hospitals:

Hospitals that do not fall into categories (a) or (f), with more than 450 licensed beds, with either (or any combination of) an accident and emergency unit or a specialised cardiac care unit or an intensive care unit, OR are a specialised children's hospital

f. Day Hospitals:

Hospitals that primarily provide treatment that does not include an overnight stay.
